TEXT

For the beauty of the earth,
for the glory of the skies,
for the love which from our birth
over and around us lies;
Lord of all, to thee we raise
this our hymn of grateful praise.

For the beauty of each our,
of the day and of the night,
hill and vale, and tree and flower,
sun and moon and stars of light;
Lord of all, to thee we raise
this our hymn of grateful praise.

For the joy of human love,
brother, sister, parent, child,
friends on earth and friends above,
for all gentle thoughts and mild;
Lord of all, to thee we raise
this our hymn of grateful praise.

Duration: *ca.* 3.5 minutes

PROGRAM NOTE

“For the Beauty of the Earth” is a TTBB choral piece, based on a Christian hymn of the same name. With my choir, Ragazzi Boys Chorus, I’ve sung two different settings of “For the Beauty of the Earth” by other composers, and I was drawn to the lyrics. The structure of the poem has multiple stanzas that all finish with “Lord of all....” Using this structure, I created a build-up throughout the piece, where each verse is different or bigger than the previous verse, starting with just one part singing the words, and culminating with every part singing in counterpoint.
